## The San Francisco School

A preschool through eighth grade independent school, with a commitment to a multicultural + inclusive community

The School embraces San Francisco's ethnic, cultural + economic diversity. Our progressive approach to education encourages children to develop **self-reliance,** **strong academic skills,** **creativity,** + a sense of social justice. They graduate **academically prepared,** **inquisitive,** **courageous,** + eager for the challenges ahead.

*We are committed to increasing staff diversity, both to reflect the high value SFS places on multicultural understanding + for the direct benefit of each student.*
