- Identify new and emerging educational technologies
- Demonstrate a commitment to continuous professional growth and development.
- Assume other professional responsibilities as assigned by the Director of Technology.

Preferred Experience:

✓ An advanced degree in educational technology;
✓ Personal Christian faith;
✓ Internationally-minded outlook, with a culturally sensitive understanding of other faiths;
✓ Four years of classroom teaching experience;
✓ Two years of demonstrated success in educational technology;
✓ Proven ability as a solid team player with a 'can-do' attitude and able to work flexible hours outside of the regular school day;
✓ Lego master builder
✓ Excellent interpersonal skills;
✓ Proven ability as an innovative, organized, results oriented, self-motivated, energetic, creative problem solver;
✓ Demonstrable passion for lifelong learning, academic excellence, and responsible world citizenship;
✓ Experience in supervising technology program development as well as facilitating its implementation;
✓ Ability to lead teachers through the coaching cycle to plan, collaborate, and reflect on student learning and teacher growth
✓ Ability to engage in multiple tasks, to lead and inspire individuals and groups and to lead change successfully;
