

MEN FOR TOMORROW. BROTHERS FOR LIFE.

Christian Brothers College High School is an all-boys, Catholic school committed to providing a college preparatory education to students from all backgrounds. As a Lasallian school, CBC's faculty and staff are dedicated to helping every student realize the maximum potential of his God-given talents and abilities.

- POSITION:** Computer Programming/Engineering Teacher. Seeking a creative and self-motivated individual who can develop a vision to expand our computer science offerings.
- QUALIFICATIONS:** Bachelors of Science in Computer Science or an Engineering field
Programming expertise (C/C++, Java, Javascript, Visual Basic)
Familiarity and experience with basic engineering principles
Experience with Robotics preferred but NOT required
Valid Missouri teaching certification (Grades 9-12)
- BASIC REQUIREMENTS:** Student-centered philosophy of education
Commitment to the school, its Lasallian mission, and to private, Catholic education
Knowledge of current educational theory and best practices
Demonstrated commitment to supporting student growth in and out of the classroom
Adaptable to organizational change and changes in the field of education
Familiarity with aspects of a digital learning environment
Effective oral and written communication skills
Ability to build trusting relationships with all community stakeholders
- JOB SUMMARY:** The successful candidate will be able to:
-Work collaboratively as part of a team in a Professional Learning Community.
-Effectively manage the classroom environment.
-Differentiate instruction to challenge and meet the needs of all students.
- START DATE:** August 1, 2016
- SUBMISSION:** Will be posted/available until position is filled.
- Qualified candidates should submit a resumé, cover letter, and a minimum of three (3) references via e-mail or U.S. Mail to:
- Mr. Jerry Heet, Assistant Principal
