

Teacher and Support of Educational Technology

Turlock Christian School is ACSI & WASC EE-12 accredited and serves the greater Turlock community with students in preschool through high school, totaling 690 students. TCS is a growing school and has a proven track record of producing highly qualified graduates, fully prepared for college. TCS was recently voted **Best Christian School** and **Best Preschool** in the county. We are building a new elementary facility with 1:1 devices for students that will open this next year, along with a robotics, technology, and science labs, art center, and technology and media center.

Turlock is a safe, family-friendly community with a population of 90,000. It is within an easy driving distance to the San Francisco Bay Area, Monterey, Yosemite, several lakes, skiing, and more. Turlock is also home to California State University, Stanislaus, which has received national recognition on "Best Colleges" lists from: Time Magazine, Money Magazine, Forbes Magazine, and the Princeton Review.

Key Duties of this position include:

- Teach technology courses part-time.
- Help develop technology curriculum and courses that involve technology, such as video tech, etc.
- Develop, coordinate, and teach technology training and in-service opportunities for our staff.
- Help to maintain school social media presence and communication.

Application process:

Interested candidates must submit an online application, the link can be found at the TCS website: www.turlockchristian.com or by clicking this link: <http://www.123contactform.com/form-1846552/Job-Application-Form>
