EMPLOYMENT OPPORTUNITY

Dwight School is seeking a full-time **Technology Teacher/Integrator** beginning in September 2017.

The daily responsibilities of the **Technology Teacher/Integrator** are to:

- Teach design-focused technology classes in grades 6-12
- Work with faculty on the increased integration of purposeful technology in their curricula, refreshing existing curricula with innovative uses of technology where appropriate
- Develop and deliver internal academic technology training for teachers across divisions
- Model innovative technology use for other Dwight faculty members
- Mentor students through Dwight School's Spark of Innovation incubator program

The ideal candidate will meet the following qualifications:

- Teaching experience in one or more of the following disciplines: computer science; design; engineering; library and media; technology
- Experience working in a school with a 1:1 program
- Experience with the IB Middle Years Program Technology/Design (preferred)
- Ability to contribute positively to the community with patience and humor
-

Interested candidates should submit their most recent resume and cover letter via e-mail to techposition@dwight.edu with the subject Technology Teacher.

Dwight School's goal is to achieve and maintain equal employment opportunities. It is also the policy of the Dwight School to maintain a work environment free from discrimination based on race, color, religious creed, national origin, gender, sexual orientation, age, disability, genetic information, veteran/military status, marital status or other status protected by federal or state law, with regards to any term or condition of employment.
