

At Pacific Ridge School, our mission statement drives all of our work: *In a community that fosters academic excellence, ethical responsibility and global engagement, Pacific Ridge School prepares students for college and a purposeful life.*

Position Summary

The Robotics Coach will teach, advise, supervise and lead a team of students in an after-school program/club. The ideal candidate will have hard/software programming experience.

Essential Duties and Responsibilities (include, but are not limited to, the following)

- Ability to teach programming for robotics to novice students and experts alike
- Help coordinate and manage student robotics team(s) and parent volunteers
- Able, periodically, to be responsible for a group of students around machines and tools by one's self
- Work in partnership with parents
- Advocate and promote the School
- Work collegially with administrators and fellow faculty
- Other duties as assigned

Work Schedule

- Program runs between September through February
- Monday through Friday from 3:30PM to 5:30PM and/or weekends
- Attend 3-4 tournaments (5-8 hours on weekends) as needed
